

Confused about the difference between a soda, an energy drink, and an alcoholic beverage?

**B E W A R E !**

Pocket shots are designed to carry "alcohol" in pockets.

A generous pour of gin, rum, vodka, whisky or tequila in a rip-top, palm-sized plastic pouch—easy to tote and conceal.

"We're not just selling alcohol, we're providing a fun and functional way to break out of the bottle that fits with an active and on-the-go lifestyle."  
Developer Jerrold Bachmann

Be observant and become educated on what young people may be drinking.

**B E W A R E !**

These cute little packaged drinks contain alcohol, come with a straw and can be purchased on the internet!

"THE FASHIONISTA'S STAPLE. Fashion, girl talk and Cosmos are just the best, pure and simple. When serving up this classic cocktail for your friends, dress it up in new duds. Try granishing flowers or, dare we say it, rim the glass with edible glitter!"
